(Name of person asking questions and writing the answers down)

Where were you born?

What brought you to the Granville area (and when)? (Feel free to specify your community, if not Granville.)

What is church for you? What are the associations you make to the term "church"?

What makes your heart sing? (Work, Family, Hobbies...Be specific)

What dream do you have for UCG in the coming five years?

What word (or words) of blessing do you offer to our new pastor?

Instructions:

- Find someone in church you'd like to know better. They need not be a member. Challenge yourself to interview someone you don't already know well.
- Ask your subject the questions on the questionnaire, and write down their responses as best you can. If you prefer to transcribe your interview (and type it up), Cheryl can send you a template. (Email her at mcfarrenc@denison.edu.)
- Use your phone and take a picture of the person interviewed. Email it to mcfarrenc@denison.edu or text it to Cheryl at 740-877-8303.
- Rinse and repeat. And get someone to interview you, too!
- Let's learn about each other by October 1, as the Pastoral Search Committee works to identify our next pastor.
